(a) Except as provided in paragraphs (b) and (c) of this section, and except for applications for orders granting exemptions submitted pursuant to section 4(c) of the Commodity Exchange Act and any written responses thereto, each written response by the Commission or its staff to a letter or other written communication requesting:

(1) Interpretative legal advice with respect to the Commodity Exchange Act or any rule, regulation or order issued or adopted by the Commission thereunder;

(2) A statement that, on the basis of the facts stated in such letter or other communication, the staff would not recommend that the Commission take any enforcement action; or

(3) An exemption, on the basis of the facts stated in such letter or other communication, from the provisions of the Commodity Exchange Act or any rules, or regulations or orders issued or adopted by the Commission thereunder; shall be made available, together with the letter or other written communication making the request, for inspection and copying by any person as soon as practicable after the response has been sent or given to the person requesting it.

### § 140.99 Requests for exemptive, no-action and interpretative letters.

(a) *Definitions.* For the purpose of this section:

(1) *Exemptive letter* means a written grant of relief issued by the staff of a Division of the Commission from the applicability of a specific provision of the Act or of a rule, regulation or order issued thereunder by the Commission. An exemptive letter may only be issued by staff of a Division when the Commission itself has exemptive authority and that authority has been delegated by the Commission to the Division in question. An exemptive letter binds the Commission and its staff with respect to the relief provided therein. Only the Beneficiary may rely upon the exemptive letter.

(2) *No-action letter* means a written statement issued by the staff of a Division of the Commission or of the Office of the General Counsel that it will not recommend enforcement action to the

Commission for failure to comply with a specific provision of the Act or of a Commission rule, regulation or order if a proposed transaction is completed or a proposed activity is conducted by the Beneficiary. A no-action letter represents the position only of the Division that issued it, or the Office of the General Counsel if issued thereby. A no-action letter binds only the issuing Division or the Office of the General Counsel, as applicable, and not the Commission or other Commission staff. Only the Beneficiary may rely upon the no-action letter.

(3) *Interpretative letter* means written advice or guidance issued by the staff of a Division of the Commission or the Office of the General Counsel. An interpretative letter binds only the issuing Division or the Office of the General Counsel, as applicable, and does not bind the Commission or other Commission staff. An interpretative letter may be relied upon by persons in addition to the Beneficiary.

(4) *Letter* means an exemptive, no-action or interpretative letter.

(5) *Division* means the Division of Clearing and Intermediary Oversight or the Division of Market Oversight.

(b) *General requirements.* (1) Issuance of a Letter is entirely within the discretion of Commission staff.

(2) Each request for a Letter must comply with the requirements of this section. Commission staff may reject or decline to respond to a request that does not comply with the requirements of this section.

(3) The request must relate to a proposed transaction or a proposed activity. Absent extraordinary circumstances, Commission staff will not issue a Letter based upon transactions or activities that have been completed or activities that have been conducted prior to the date upon which the request is filed with the Commission.

(4) The request must be made by or on behalf of the person whose activities or transactions are the subject of the request. Commission staff will not respond to a request for a Letter that is made by or on behalf of an unidentified person.

(5)(i) The request must set forth as completely as possible all material

facts and circumstances giving rise to the request.

(ii) Commission staff will not respond to a request based on a hypothetical situation. However, a requester may set forth one or more alternative structures or fact situations for a proposed transaction or activity; *Provided*, That the request complies with this section with respect to each alternative structure or fact situation.

(c) *Information requirements.* Each request for a Letter must comply with the following information requirements:

(1)(i) A request made by the person on whose behalf the Letter is sought must contain:

(A) The name, main business address, main telephone number and, if applicable, the National Futures Association registration identification number of such person; and

(B) The name and, if applicable, the National Futures Association registration identification number of each other person for whose benefit the person is seeking the Letter.

(ii) When made by a requester other than the person on whose behalf the Letter is sought, the request must contain:

(A) The name, main business address and main business telephone number of the requester;

(B) The name and, if applicable, the National Futures Association registration identification number of the person on whose behalf the Letter is sought; and

(C) The name and, if applicable, the National Futures Association registration identification number of each other person for whose benefit the requester is seeking the Letter.

(iii) The request must provide the name, address and telephone number of a contact person from whom Commission staff may obtain additional information if necessary.

(2) The section number of the particular provision of the Act and/or Commission rules, regulations or orders to which the request relates must be set forth in the upper right-hand corner of the first page of the request.

(3) The request must be accompanied by:

## Commodity Futures Trading Commission

## § 140.99

(i) A certification by a person with knowledge of the facts that the material facts as represented in the request are true and complete. The following form of certification is sufficient for this purpose:

I hereby certify that the material facts set forth in the attached letter dated \_\_\_\_\_ are true and complete to the best of my knowledge.  
(name and title) \_\_\_\_\_

and

(ii) An undertaking made by the person on whose behalf the Letter is sought or by that person's authorized representative that, if at any time prior to issuance of a Letter, any material representation made in the request ceases to be true and complete, the person who made the undertaking will ensure that Commission staff is informed promptly in writing of all materially changed facts and circumstances. If a material change in facts or circumstances occurs subsequent to issuance of a Letter, the person on whose behalf the Letter is sought (or that person's authorized representative at the time of the change) must promptly so inform Commission staff.

(4) The request must identify the type of relief requested and Letter sought and must clearly state why a Letter is needed. The request must identify all relevant legal and factual issues and discuss the legal and public policy bases supporting issuance of the Letter.

(5) The request must contain references to all relevant authorities, including applicable provisions of the Act, Commission rules, regulations and orders, judicial decisions, administrative decisions, relevant statutory interpretations and policy statements. Adverse authority must be cited and discussed.

(6) The request must identify prior publicly available Letters issued by Commission staff in response to circumstances similar to those surrounding the request (including adverse Letters), and must identify any conditions imposed by prior Letters as prerequisites for the issuance of those Letters. Citation of a representative sample of prior Letters is sufficient where a comprehensive recitation of prior Letters on a given topic would be

repetitious or would not assist the staff in considering the request.

(7) Requests may ask that, if the requested exemptive relief, no-action position or interpretative guidance is denied, the staff consider granting alternative relief or adopting an alternative position.

(d) *Filing requirements.* Each request for a Letter must comply with the following filing requirements:

(1) The request must be in writing and signed.

(2) A request for a Letter relating to the provisions of the Act or the Commission's rules, regulations or orders governing designated contract markets, registered derivatives transaction execution facilities, exempt commercial markets, exempt boards of trade, the nature of particular transactions and whether they are exempt or excluded from being required to be traded on one of the foregoing entities, foreign trading terminals, hedging exemptions, and the reporting of market positions shall be filed with the Director, Division of Market Oversight, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. A request for a Letter relating to all other provisions of the Act or Commission rules shall be filed with the Director, Division of Clearing and Intermediary Oversight, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. A request for a Letter relating to all other provisions of the Act or Commission rules shall be filed with the Director, Division of Clearing and Intermediary Oversight, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. The request must be submitted electronically using the e-mail address [dmoletters@cftc.gov](mailto:dmoletters@cftc.gov) (for request filed with the Division of Market Oversight), or [dcioletters@cftc.gov](mailto:dcioletters@cftc.gov) (for requests filed with the Division of Clearing and Intermediary Oversight), as appropriate, and a properly signed paper copy of the request must be provided to the Division of Market Oversight or the Division of Clearing and Intermediary Oversight, as appropriate, within ten

days for purposes of verification of the electronic submission.

(e) *Form of staff response.* No response to any request governed by this section is effective unless it is in writing, signed by appropriate Commission staff, and transmitted in final form to the recipient. Failure by Commission staff to respond to a request for a Letter does not constitute approval of the request. Nothing in this section shall preclude Commission staff from responding to a request for a Letter by way of endorsement or any other abbreviated, written form of response.

(f) *Withdrawal of requests.* (1) A request for a Letter may be withdrawn by filing with Commission staff a written request for withdrawal, signed by the person on whose behalf the Letter was sought or by that person's authorized representative, that states whether the person on whose behalf the Letter was sought will proceed with the proposed transaction or activity.

(2) Where a request has been submitted by an authorized representative of the person on whose behalf a Letter is sought, the authorized representative may withdraw from representation at any time without explanation, *Provided*, That Commission staff is promptly so notified.

(g) *Failure to pursue a request.* In the event that Commission staff requests additional information or analysis from a requester and the requester does not provide that information or analysis within thirty calendar days, Commission staff generally will issue a denial of the request; *Provided, however*, that Commission staff in its discretion may issue an extension of time to provide the information and or analysis.

(h) *Confidential treatment.* Confidential treatment of a request for a Letter must be requested separately in accordance with §140.98 or §145.9 of this chapter, as applicable.

(i) *Applicability to other sections.* The provisions of this section shall not affect the requirements of, or otherwise be applicable to:

(1) Notice filings required to be made to claim relief from the Act or from a Commission rule, regulation, or order including, without limitations, §§ 4.5, 4.7(a), 4.7(b), 4.12(b), 4.13(b) and 4.14(a)(8) of this chapter;

(2) Requests for exemption pursuant to section 4(c) of the Act; or

(3) Requests for exemption pursuant to §41.33 of this chapter.

**§ 140.735-1 Authority and purpose.**

This subpart sets forth specific standards of conduct required of Commission members, employees of the Commission, and special government employees as well as regulations concerning former Commissioners, employees, and special government employees of the Commodity Futures Trading Commission. These rules are separate from and in addition to the Office of Government Ethics' conduct rules, Standards of Ethical Conduct for Employees of the Executive Branch, 5 CFR part 2635. In addition, this subpart contains references to various statutes governing employee conduct in order to aid Commission members, employees of the Commission and others in their understanding of statutory restrictions and requirements.<sup>1</sup> Absent compelling countervailing reasons, all Commission members and employees are subject to all the terms of this section.

[67 FR 5939, Feb. 8, 2002]

<sup>1</sup>These references, however, do not purport to cover all restrictions and requirements, and paraphrased restatements of statutory provisions are not intended to be, and should not be construed as, verbatim quotations of the law. Statutory text should be consulted in any situation in which it might apply.

**§ 140.735-2 Prohibited transactions.**

(a) *Application.* This section applies to all transactions effected by or on behalf of a Commission member or employee of the Commission, including transactions for the account of other persons effected by the member or employee, directly or indirectly under a power of attorney or otherwise. A member or employee shall be deemed to have a sufficient interest in the transactions of his or her spouse, minor child, or other relative who is a resident of the immediate household of the member or employee so that such transactions must be reported and are subject to all the terms of this section.

(b) *Prohibitions.* Except as otherwise provided in this subsection, no member or employee of the Commission shall:

(1) Participate, directly or indirectly, in any transaction:

(i) In commodity futures;

(ii) Involving any commodity that is of the character of or which is commonly known to the trade as an option, privilege, indemnity, bid, offer, put, call, advance guaranty, or decline guaranty; or

(iii) For the delivery of any commodity under a standardized contract commonly known to the trade as a margin account, margin contract, leverage account, or leverage contract, or under any contract, account, arrangement, scheme, or device that the Commission determines serves the same function or functions as such a standardized contract, or is marketed or managed in substantially the same manner as such a standardized contract;

(2) Effect any purchase or sale of an option, futures contract, or option on a futures contract involving a security or group of securities;

(3) Sell a security which he or she does not own or consummate a sale by the delivery of a security borrowed by or for his or her account;

(4) Participate, directly or indirectly, in any investment transaction in an actual commodity if:

(i) Nonpublic information is used in the investment transaction;

(ii) It is prohibited by rule or regulation of the Commission; or

(iii) It is effected by means of any instrument regulated by the Commission

and is not otherwise permitted by an exception under this section;

(5) Purchase or sell any securities of a company which, to his or her knowledge, is involved in any:

(i) Pending investigation by the Commission;

(ii) Proceeding before the Commission or to which the Commission is a party;

(iii) Other matter under consideration by the Commission that could have a direct and predictable effect upon the company; or

(6) Recommend or suggest to another person any transaction in which the member or employee is not permitted to participate in any circumstance where the member or employee could reasonably expect to benefit or where the member or employee has or may have control or substantial influence over such person.

(c) *Exception for farming, ranching, and natural resource operations.* The prohibitions in paragraphs (b)(1)(i) and (ii) of this section shall not apply to a transaction in connection with any farming, ranching, oil and gas, mineral rights, or other natural resource operation in which the member or employee has a financial interest, if he or she is not involved in the decision to engage in, and does not have prior knowledge of, the actual futures or options transaction and has previously notified the General Counsel<sup>2</sup> in writing of the nature of the operation, the extent of the member's or employee's interest, the types of transactions in which the operation may engage, and the identity of the person or persons who will make trading decisions for the operation;<sup>3</sup>

<sup>2</sup>As used in this subpart, "General Counsel" refers to the General Counsel in his or her capacity as counselor for the Commission and designated agency ethics official for the Commission, and includes his or her designee and the alternate designated agency ethics official appointed by the agency head pursuant to 5 CFR 2638.202.

<sup>3</sup>Although not required, if they choose to do so, members or employees may use powers of attorney or other arrangements in order to meet the notice requirements of, and to assure that they have no control or knowledge of, futures or options transactions permitted under paragraph (c) of this section. A

*Continued*

(d) *Other exceptions.* The prohibitions in paragraphs (b)(1), (2) and (3) of this section shall not apply to:

(1) A transaction entered into by any publicly-available pooled investment vehicle (such as a mutual fund or exchange-traded fund) other than one operated by a person who is a commodity pool operator with respect to such entity if the direct or indirect ownership interest of the member or employee neither exercises control nor has the ability to exercise control over the transactions entered into by such vehicle;<sup>4</sup>

(2) The acceptance or exercise of any stock option or similar right granted by an employer as part of a compensation package to a spouse or minor child or other related member of the immediate household of a member or employee, or to the exercise of any stock option or similar right granted to the member or employee by a previous employer prior to commencement of the member's or employee's tenure with the Commission as part of such member's or employee's compensation package from such previous employer;

(3) A transaction by any trust or estate of which the member or employee

member or employee considering such arrangements should consult with the Office of General Counsel in advance for approval. Should a member or employee gain knowledge of an actual futures or option transaction entered into by an operation described in paragraph (c) of this section that has already taken place and the market position represented by that transaction remains open, he or she should promptly report that fact and all other details to the General Counsel and seek advice as to what action, including recusal from any particular matter that will have a direct and predictable effect on the financial interest in question, may be appropriate.

<sup>4</sup>Section 9(c) of the Commodity Exchange Act makes it a felony for any member or employee, or agent thereof, to participate, directly or indirectly in, *inter alia*, any transaction in commodity futures, option, leverage transaction, or other arrangement that the Commission determines serves the same function, unless authorized to do so by Commission rule or regulation. 17 CFR 4.5 excludes certain otherwise regulated persons from the definition of "commodity pool operator" with respect to operation of specific investment entities enumerated in the regulation.

or the spouse, minor child, or other related member of the immediate household of the member or employee is solely a beneficiary, has no power to control, and does not in fact control or advise with respect to the investments of the trust or estate;

(4) The exercise of any privilege to convert or exchange securities, of rights accruing unconditionally by virtue of ownership of other securities (as distinguished from a contingent right to acquire securities not subscribed for by others), or of rights in order to round out fractional shares in securities;

(5) The acceptance of stock dividends on securities already owned, the reinvestment of cash dividends on a security already owned, or the participation in a periodic investment plan when the original purchase was otherwise consistent with this rule; or

(6) Investment in any fund established pursuant to the Federal Employees Retirement System.

(e) *No prohibition on stocks or funds.* Nothing in paragraph (b)(1) or (2) of this section shall prohibit a member or employee from purchasing, selling, or retaining any share that represents ownership of a publicly-owned corporation or interest in a publicly-available pooled investment vehicle containing any such shares (such as a mutual fund or exchange-traded fund) other than one operated by a person who is a commodity pool operator with respect to such pooled investment vehicle, regardless of whether any security futures product may at any time be or have been based upon shares of such corporation or pooled investment vehicle, and regardless of whether such pooled investment vehicle may, by design or effect, track or follow any group of securities that also underlies a futures contract.

(f) *Exception applicable to legally separated employees.* This section shall not apply to transactions of a legally separated spouse of a member or employee, including transactions for the benefit of a minor child, if the member or employee has no power to control, and does not, in fact, advise or control with respect to such transactions. If the

member or employee has actual or constructive knowledge of such transactions of a legally separated spouse or for the benefit of a minor child, the disqualification provisions of § 140.735-2a(d)(2)(i)-(iii) and 18 U.S.C. 208 are applicable.

[67 FR 5939, Feb. 8, 2002]

**§ 140.735-2a Prohibited interests.**

(a) *Application.* This section applies to all financial interests of a Commission member or employee of the Commission, including financial interests held by the member or employee for the account of other persons. A member or employee shall be deemed to have a sufficient interest in the financial interests of his or her spouse, minor child, or other relative who is a resident of the immediate household of the member or employee, so that such financial interests must be reported and are subject to all the terms of this section.

(b) *Prohibitions.* Except as otherwise provided in this subsection, no member or employee of the Commission shall:

(1) Have a financial interest, through ownership of securities or otherwise, in any person<sup>5</sup> registered with the Commission (including futures commission merchants, associated persons and agents of futures commission merchants, floor brokers, commodity trading advisors and commodity pool operators, and any other persons required to be registered in a fashion similar to any of the above under the Commodity Exchange Act or pursuant to any rule or regulation promulgated by the Commission), or any contract market, board of trade, or other trading facility, or any clearing organization subject to regulation or oversight by the Commission;<sup>6</sup> or

(2) Own or control, through securities or otherwise, ten percent or more of the total ownership interests in any other person required to file reports under the Commodity Exchange Act, or

pursuant to any rule or regulation promulgated by the Commission.<sup>7</sup>

(c) *Exceptions.* The prohibitions in paragraph (b) of this section shall not apply to:

(1) A financial interest in any publicly-available pooled investment vehicle (such as a mutual fund or exchange-traded fund) other than one operated by a person who is a commodity pool operator with respect to such entity if such vehicle does not have invested, or indicate in its prospectus the intent to invest, ten percent or more of its assets in securities of persons described in paragraph (b) of this section and the member or employee neither exercises control nor has the ability to exercise control over the financial interests held in such vehicle;

(2) A financial interest in any corporate parent or affiliate of a person described in paragraph (b)(1) of this section if the operations of such person provide less than ten percent of the gross revenues of the corporate parent or affiliate;<sup>8</sup>

(3) A financial interest in any trust or estate of which the member or employee is solely a beneficiary, has no power to control, and does not in fact control or advise with respect to the investments of the trust or estate; except that such interest is subject to the provisions of paragraphs (d) and (f) of this section.

(d) *Retention or passive acquisition of prohibited financial interests.* Nothing in this section shall prohibit a member or

<sup>7</sup>The Division of Market Oversight maintains information on persons whose commodity futures and options positions are or have been reportable under the Commission's large trader reporting system. Members and employees should consult with DEA to determine whether any of their financial interests involve entities subject to such reporting.

<sup>8</sup>It is the member's or employee's responsibility to monitor his or her financial interests and those of a spouse or minor child or other related member of his or her immediate household, to promptly report relevant changes to the General Counsel in writing, and to seek the advice of the General Counsel as to what action may be appropriate. In this regard, attention is directed to 18 U.S.C. 208, which bars an employee from participating in any particular matter that will have a direct and predictable effect on the financial interest in question.

employee, or a spouse or minor child or other related member of the immediate household of the member or employee, from:

(1) Retaining a financial interest that was permitted to be retained by the member or employee prior to the adoption of this regulation, was obtained prior to the commencement of employment with the Commission, or was acquired by a spouse prior to marriage to the member or employee; or

(2) Acquiring, retaining, or controlling an otherwise prohibited financial interest, including but not limited to any security or option on a security (but not a security futures product), where the financial interest was acquired by inheritance, gift, stock split, involuntary stock dividend, merger, acquisition, or other change in corporate ownership, exercise of preemptive right, or otherwise without specific intent to acquire the financial interest, or by a spouse or minor child or other related member of the immediate household of the member or employee as part of an employment compensation package; *provided, however*, that retention of any interest allowed by paragraph (c)(3) or (d) of this section is permitted only where the employee:

(i) Makes full disclosure of any such interest on his or her annual financial disclosure (Standard Form 278 or Standard Form 450);

(ii) Makes full written disclosure to the General Counsel within 30 days of commencing employment or, for incumbents, within twenty days of his or her receipt of actual or constructive notice that the interest has been acquired;<sup>9</sup> and

(iii) Will be disqualified in accordance with 5 CFR part 2635, subpart D,

<sup>9</sup>Changes in holdings, other than by purchase, which do not affect disqualification, such as those resulting from the automatic reinvestment of dividends, stock splits, stock dividends or reclassifications, may be reported on the annual statement, SF 278 or SF 450, rather than when notification of the transaction is received. Acquisition by, for example, gifts, inheritance, or spinoffs, which may result in additional disqualifications pursuant to paragraph (d)(2)(iii) of this section and 18 U.S.C. 208 shall be reported to the General Counsel within 20 days of the receipt of actual or constructive notice thereof.

and 18 U.S.C. 208 from participating in any particular matter that will have a direct and predictable effect on the financial interest in question. Any Commission member or employee affected by this section may, pursuant to 18 U.S.C. 208(b)(1) and 5 CFR 2640.301-303, request a waiver of the disqualification requirement.

NOTE: With respect to any financial interest retained under paragraph (c)(3) or (d) of this section, Commission members and employees are reminded of their obligations under 18 U.S.C. 208 and 5 CFR part 2635, subpart D, to disqualify themselves from participating in any particular matter in which they, their spouses or minor children have a financial interest.

(e) *Exception applicable to legally separated employees.* This section shall not apply to the financial interests of a legally separated spouse of a Commission member or employee, including transactions for the benefit of a minor child, if the member or employee has no power to control and does not, in fact, advise or control with respect to such transactions. If the member or employee has actual or constructive knowledge of such financial interests held by a legally separated spouse or for the benefit of a minor child, the disqualification provisions of paragraphs (d)(2)(i)-(iii) of this section and 18 U.S.C. 208 are applicable.

(f) *Divestiture.* Based upon a determination of substantial conflict under 5 CFR 2635.403(b) and 18 U.S.C. 208, the Commission, or its designee, may require in writing that a member or employee, or the spouse or minor child or other related member of the immediate household of a member or employee, divest a financial interest that he or she is otherwise authorized to retain under this section.<sup>10</sup>

(A) Any unit of foreign governmental authority, including any foreign national, state, local, and municipal government;

(4) *Decoration* means an order, device, medal, badge, insignia, emblem, or award tendered by, or received from, a foreign government.

(5) *Minimal value* means a retail value in the United States at the time of acceptance of \$140 or less, except as redefined to reflect changes in the consumer price index at three year intervals by the Administrator of General Services pursuant to authority granted in 5 U.S.C. 7342(a)(5)(A).

(b) Commission members and employees shall not:

(1) Request or otherwise encourage the tender of a gift or decoration;

(2) Accept a gift of currency, except that which has an historical or numismatic value;

(3) Accept gifts of travel or gifts of expenses for travel, such as transportation, food and lodging, from foreign governments, other than those authorized in paragraph (c)(5) of this section; or

(4) Accept any gift or decoration, except as authorized by this section.

(c) Gifts which may be accepted:

(1) Commission members and employees may accept and retain gifts of minimal value tendered or received as a souvenir or mark of courtesy from a foreign government without further approval. If the value of a gift is uncertain, the recipient shall be responsible for establishing that it is of minimal value, as defined in this section. Documentary evidence may be required in support of the valuation.

(2) Commission members and employees may accept, on behalf of the United States, gifts of more than minimal value tendered or received from a foreign government when it appears that to refuse the gift would likely cause offense or embarrassment or otherwise

<sup>8</sup>Attention is directed to section 2(a)(7) of the Commodity Exchange Act, which provides, among other things, that no Commission member or employee shall accept employment or compensation from any person, exchange or clearinghouse subject to regulation by the Commission, or participate, directly or indirectly, in any contract market operations or transactions of a character subject to regulation by the Commission.

adversely affect the foreign relations of the United States. When a tangible gift of more than minimal value is accepted on behalf of the United States, it becomes the property of the United States.

(3) Commission members and employees may accept a gift of more than minimal value where such gift is in the nature of an educational scholarship or medical treatment.

(4) Within 60 days after accepting a tangible gift of more than minimal value, other than a gift described in paragraph (c)(5) of this section, a Commission member or employee shall file a statement with the Executive Director of the Commission which shall include the following information:

(A) The name and position of the Commission member or employee;

(B) A brief description of the gift and the circumstances justify acceptance;

(C) The identity, if known, of the foreign government and the name and position of the individual who presented the gift;

(D) The date of acceptance of the gift;

(E) The estimated value in the United States of the gift at the time of acceptance; and

(F) The disposition or current location of the gift.

(5) Commission members and employees are authorized to accept from a foreign government gifts of travel or gifts of expenses for travel taking place entirely outside the United States, such as transportation, food and lodging, of more than minimal value if the acceptance is approved by the Executive Director, upon a finding that it is consistent with the interests of the Commission. Either prior to or within 30 days after accepting each gift of travel or gift of travel expenses pursuant to this paragraph, the Commission member or employee concerned shall file a statement with the Executive Director containing the following information:

(A) The name and position of the Commission member or employee;

(B) A brief description of the gift and the circumstances justifying acceptance;

(C) The identity, if known, of the foreign government and the name and po-

(D) The date of acceptance.

(6) Not later than January 31 of each year the Executive Director shall compile a listing of all statements filed during the preceding year by Commission members and employees pursuant to paragraphs (c)(4) and (c)(5) of this section and shall transmit the listing to the Secretary of State.

(d) Commission members or employees may accept, retain and wear decorations tendered by a foreign government in recognition of active field service in time of combat operations or awarded for other outstanding or unusually meritorious performance, subject to the approval of the Executive Director. Without this approval, the decoration is deemed to have been accepted on behalf of the United States, shall become the property of the United States, and shall be deposited by the employee, within 60 days of acceptance, with the Executive Director for official use or forwarding to the Administrator of General Services for disposal in accordance with paragraph (g) of this section. Under normal circumstances, it can be expected that a Commission member or employee will be notified of the intent of a foreign government to award him or her or a spouse or dependent a decoration for outstanding or unusually meritorious service sufficiently in advance so that the approval required can be sought prior to its acceptance. A request for the approval of the Executive Director shall be submitted in writing, stating the nature of the decoration and the reason why it is being awarded. Whenever possible, the request should also be accompanied by a statement from the foreign government, preferably in the form of the citation, which shows the basis for the tender of the award, whether it is in recognition of active field service in time of combat operations or for other outstanding or unusually meritorious performance.

(e) Within 60 days after acceptance of a tangible gift of more than minimal value or a decoration for which the Executive Director has not given approval, a Commission member or employee shall:

## § 140.735-5

(1) Deposit the gift or decoration for disposal with the Executive Director; or

(2) Subject to the approval of the Commission, upon the recommendation of the Executive Director, deposit the gift or decoration with the Commission for official use.

A gift or decoration may be retained for official use if the Commission determines that it can be properly displayed in an area accessible to employees and members of the public. Within 30 days after termination of the official use of a gift, the Executive Director shall forward the gift to the Administrator of General Services in accordance with paragraph (g) of this section.

(f) Whenever possible, gifts and decorations that have been deposited with the Executive Director for disposal shall be returned to the donor. The Executive Director, in coordination with the Office of the General Counsel, shall examine the circumstances surrounding the donation, assessing whether any adverse effect on the foreign relations of the United States might result from the return of the gift or decoration to the donor. The appropriate Department of State officials shall be consulted if a question of adverse effect on United States foreign relations arises.

(g) Gifts and decorations that have not been returned to the donor, retained for official use, or for which official use has terminated, shall be forwarded by the Executive Director to the Administrator of General Services for transfer, donation, or other disposal in accordance with the provisions of the Federal Property and Administrative Services Act of 1949, as amended, and 5 U.S.C. 7342.

(h) In accordance with 5 U.S.C. 7342(h), the U.S. Attorney General may bring a civil action in any United States district court against any Commission member or employee who knowingly solicits or accepts a gift from a foreign government not consented to by the Congress of the United States in 5 U.S.C. 7342, or who fails to deposit or report such gift as required by 5 U.S.C. 7342. The court may assess a penalty against such Commission member or employee in any amount not exceeding the retail value of the

gift improperly solicited or received plus \$5,000.

(i) A violation of the requirements set forth in this section by a Commission employee may be cause for appropriate disciplinary action which may be in addition to any penalty prescribed by law.

(j)(1) The burden of proving minimal value shall be on the recipient. In the event of a dispute over the value of a gift, the Executive Director shall arrange for an outside appraiser to determine whether the gift is of more or less than minimal value.

(2) When requested by the Administrator of Government Services, the Executive Director shall arrange for an appraisal of a gift or decoration.

(k) No appropriated funds of the Commission may be used to buy any tangible gift of more than minimal value for any foreign individual, unless the gift has been approved by Congress.

**§ 140.735-6 Practice by former members and employees of the Commission.**

(a) *Personal and substantial participation or nonpublic knowledge of a particular matter.* No person who has been a member or employee of the Commission shall ever knowingly make, with the intent to influence, any communication to or appearance before the Commission in connection with any particular matter involving a specific party or parties<sup>12</sup> in which such person, or one participating with him or her in the particular matter, participated personally and substantially, or gained nonpublic knowledge of facts thereof, while with the Commission.<sup>13</sup>

(b) *Particular matter under an individual's official responsibility.* No person who has been a member or employee of the Commission shall, within two years after that employment has ceased, knowingly make, with the intent to influence, any communication to or appearance before the Commission in connection with a particular matter involving a specific party or parties which was actually pending under his official responsibility as a member or

<sup>12</sup>The phrase "particular matter involving a specific party or parties" does not apply to general rulemaking, general policy and standards formulation or other similar matters. See § 2637.201(c)(1) of the regulations of the Office of Government Ethics, 5 CFR 2637.201(c)(1); *cf.*, memorandum of the Attorney General dealing with the conflict-of-interest provisions prior to amendment by the Ethics in Government Act (reproduced following 18 U.S.C. 201).

<sup>13</sup>Attention is directed to 18 U.S.C. 207(a)(1), as amended, which generally prohibits former Federal officers and employees permanently from knowingly making, with the intent to influence, any communication to or appearance before any Federal (or District of Columbia) department, agency or court, or court martial, or any officer or employee thereof, in connection with any particular matter involving a specific party or parties in which the United States (or the District of Columbia) is a party or has a direct and substantial interest and in which the former officer or employee participated personally and substantially while with the government.

employee of the Commission at any time within one year prior to the termination of government service.<sup>14</sup>

(c) *Restrictions on former members and senior employees.* A former member or employee of the Commission who occupied a “senior” position specified in 18 U.S.C. 207(c)(2), as amended, shall not within one year after such “senior” employment has ceased, knowingly make, with the intent to influence, any communication to or appearance before the Commission on behalf of any other person in connection with any matter in which such person seeks official action by the Commission.<sup>15</sup>

<sup>14</sup>Attention is directed to 18 U.S.C. 207(a)(2), as amended. Section 207(a)(2) generally prohibits former Federal officers and employees, within two years after their Federal employment has ceased, from knowingly making, with the intent to influence, any communication to or appearance before any Federal (or District of Columbia) department, agency or court, or court martial, or any officer or employee thereof, in connection with any particular matter involving a specific party or parties in which the United States (or the District of Columbia) is a party or has a direct and substantial interest and which was actually pending under the official responsibility of the former officer or employee within one year prior to the termination of government service.

As used in paragraph (b) of this section, the term “official responsibility” has the meaning assigned to it in 18 U.S.C. 202(b), namely, the “direct administrative or operating authority, whether intermediate or final, and either exercisable alone or with others, and either personally or through subordinates, to approve, disapprove, or otherwise direct Government action.”

<sup>15</sup>Attention is directed to 18 U.S.C. 207(c), as amended, which places restrictions on the representational activities of certain senior officers and employees after their departure from a senior position. Section 207(c) generally makes it unlawful for one year after service in a “senior” position terminates for a former “senior” Federal employee to knowingly make, with the intent to influence, any communication to or appearance before an employee of a department or agency in which he served in any capacity during the one year period prior to termination from “senior” service, if that communication or appearance is on behalf of any other person (except the United States), in connection with any matter concerning which he seeks official action by that employee.

Note that the one year period is measured from the date when the employee ceases to

(d) *Exceptions.* The prohibitions contained in paragraphs (a), (b), and (c) of this section do not apply to communications solely for the purpose of furnishing scientific or technological information if approved by the Commission or generally to giving testimony under oath or making a statement which is subject to penalty or perjury. Further, the prohibition contained in paragraph (c) of this section does not apply to an uncompensated statement in a particular area within the special knowledge of the former Commission member or employee.<sup>16</sup>

(e) *Reporting requirement.* Any former member or employee of the Commission who, within two years after ceasing to be such, is employed or retained as the representative of any person (except the United States) in connection with a matter in which it is contemplated that he will appear before or communicate with the Commission shall, within ten days of such retainer or employment, or of the time when appearance before or communication with the Commission is first contemplated, file with the General Counsel of the Commission a statement as to the nature thereof together with any desired explanation as to why it is deemed consistent with this section. Employment of a recurrent character may be covered by a single comprehensive statement. Each such statement should include an appropriate caption indicating that it is filed pursuant to this section. The reporting requirement of this paragraph does not apply to communications incidental to court appearances in litigation involving the Commission.

be a senior employee, not from the termination of Government service, unless the two occur simultaneously. This provision prohibits communications to or appearances before the Government and does not prohibit “behind-the-scenes” assistance. The restriction does not require that the former employee have ever been in any way involved in the matter that is the subject of the communication or appearance. The restriction applies with respect to any matter, whether or not involving a specific party.

<sup>16</sup>Attention is directed to 18 U.S.C. 207(j), as amended (listing other exceptions). Self-representation is not prohibited under section 207.

(f) *Definitions.* As used in this section, the phrase “appearance before the Commission” means any formal or informal appearance on behalf of any person (except the United States) before the Commission, or any member or employee thereof with an intent to influence. As used in this section, the phrase “communication with the Commission” means any oral or written communication made to the Commission, or any member or employee thereof, on behalf of any person (except the United States) with an intent to influence.

(g) *Advisory ruling.* Persons in doubt as to the applicability of this section may apply for an advisory ruling by addressing a letter requesting such a ruling to the General Counsel.

(h) *Procedures for administrative enforcement of statutory restrictions on post-government employment conflicts of interest.*<sup>17</sup>—(1) *Scope.* The provisions of this paragraph prescribe procedures for administrative enforcement of the restrictions which 18 U.S.C. 207 (a), (b), and (c), as amended, place on appearances before or communications with Federal (and District of Columbia) departments, agencies and courts, and other enumerated entities, as well as the officers and employees thereof, by former Commission members and employees.

(2) *Investigations.* The General Counsel of the Commission, or his or her designee, shall conduct such investigations as he or she deems appropriate to determine whether any former Commission member or employee have violated 18 U.S.C. 207 (a), (b) or (c), as amended. The General Counsel shall report the results of his or her investigations to the Commission and shall recommend to the Commission such action as he or she deems appropriate.

(3) *Hearings.* Hearings required to be held under the provisions of this section shall be held before an Administrative Law Judge, utilizing the procedures prescribed by the Commission’s rules of practice for adjudicatory proceedings (17 CFR part 10), except to the extent that those rules are inconsistent with the provisions of this sec-

tion. Any proceeding brought under the provisions of this section shall be prosecuted by the General Counsel or his or her designee.

(4) *Sanctions.* If the Commission finds, after notice and opportunity for a hearing, that a former Commission member or employee has violated 18 U.S.C. 207 (a), (b) or (c), as amended, the Commission may prohibit that person from making, on behalf of any other person (except the United States), any formal or informal appearance before, or with the intent to influence any oral or written communication to, the Commission on a pending matter of business for a period not to exceed five years, or may take other appropriate disciplinary action.

(ii) If, after advice and guidance from the General Counsel, a member or employee does not execute an ethics agreement, the conflict of interests is considered unresolved and must be referred to the Commission for resolution or further action consistent with 18 U.S.C. 208 and 28 U.S.C. 535.

(iii) Where an unresolved conflict of interests or apparent conflict of interests is to be forwarded to the Commission by the General Counsel, the General Counsel will promptly notify the affected member or employee in writing of his or her intent to forward the matter to the Commission. <sup>18</sup>No attorney-client privilege, however, attaches to such communications since the Counselors are counsel to the Commission, not to the employee. Thus, any evidence of criminal law violations divulged by an employee to the Counselor must be reported by the latter to the Commission, which may refer the matter to the Criminal Division of the Department of Justice and the United States Attorney in whose venue the violations lie.
